EDITOR'S CORNER:

BRISBANE, JUNE 30---In last week's issue we stood up on our hind legs and fought back at the unfair publicity Brisbane has been receiving via outside newspapers. We took the stand that our kids were 100 % allright--and that all that was needed was a little understanding and a little help from we older "generations". I was surprised at the response---first came words of appreciation from the kids themselves, and then came the wholehearted response from the adults. As a direct result of our "editorial", several projects have been started for the benefit of our kids and teen-agers. And lastly, the supreme result---one of the "city" newspapers printed an article beneficial to Brisbane. No less than eight of our local residents called the article to my attention. I am going to reprint it here---just to show the doubters that SOME newspapers CAN say good things about our kids! Here is the article: (As reprinted from the S. F. CALL-BULLETIN of June 23rd, on page 19)---Heading: "YOUNG BASEBALLERS SEEKING TILTS"---The Brisbane Parks, a baseball nine composed of boys 9 to 12 years of age, is having trouble scheduling games. Undefeated in four starts, the Brisbanes have run out of opposition. Any team in a similar age bracket wishing to play this nine may arrange a contest by calling William Strassburger, JUNiper 4-4918.-----

Thus ran the article. Not much, I admit---but it is a start. If any future such articles should appear, I would appreciate it if someone would call them to my attention so that credit may be given where credit is due. I would also like to thank the SAN MATEO TIMES for the attitude it has taken in regards the unfair publicity given us two weeks ago. WE ARE NOT HERE TO HOLD GRUDGES--WE ARE HERE TO FIGHT THE GOOD FIGHT FOR BRISBANE! And since the Times has agreed to cooperate, then we, too, are going to cooperate.

Now,--in regards to the attitude of the teen-agers, we are reprinting an article sent in by one of them. It goes thusly: "We don't know whether or not this will be printed, but we think it would help matters if some teen-agers would voice an opinion. Especially in this PREJUDICE AGAINST BRISBANE JUVENILES. Some of us have only lived in Brisbane a few years, but our first impression was that people went out of their way to tell our parents what a bad place this was for teen-agers, and what the teen-agers had done in the past. That was the past--AND WE'RE STILL GETTING BLAMED FOR WHAT HAPPENED THEN! Now--we're pretty sure there isn't a town or a city anywhere that doesn't have a few smart-alecks who ruin things for the rest of us--and Brisbane is no exception. But some people like to make "mountains out of mole-hills". As you said, we kids are getting blamed for things we haven't done--and we have been getting blamed for so long that sometimes we just don't care anymore. A few weeks ago we had a graduation party, and while some of us didn't think it would work out--it did. It was a success, and it really made us feel proud to realize that we had done something we got praised for. We hope that Mrs. Reece and Mrs. Gilman will print this; maybe it will help us to get those weekly dances we want so much. If you people of Brisbane will give the teen-agers of this town a chance, we think you will be mighty proud of us--after all, WE'RE THE FUTURE CITIZENS OF BRISBANE!" This letter was signed SHARON STORCH and FRIENDS.

Now---here are the results of last week's editorial: Plans are being made for weekly dances. A few details must be worked out, but we think we can promise the kids their weekly dances before too many more weeks have gone by. Plans are being made for "flea-weight" boxing. Any boy between the weights of 45 and 140 pounds, and who has the consent of his parents--may get in touch with CLIFF GANNON, of 219 San Benito Road--phone JUNiper 7-3657. And I understand that plans are also being made for junior sized baseball teams. NOW WHO CAN SAY THAT IT DOES NOT PAY TO ADVERTISE?? But this is still not enough. WE MUST KEEP OUR YOUNGSTERS TOO BUSY TO GET INTO TROUBLE THIS SUMMER!

PURPLE HEART????

Rumor has reached our ears that DON WALTON, son of GEORGE & HELEN BRADY of Klamath Street---is now eligible for the "Purple Heart"---seems he was "wounded" on his first day at boot camp. Haven't got the full particulars, but it seems to have something to do with a fire extinguisher dropping on foot, or vice-versa! (We're only kidding, Don!)

SAN MATEO COUNTY CENSUS FIGURES:

According to the San Mateo Times, the 1950 Census figures for San Mateo County are as follows: DALY CITY, 15,066: COLMA, 264: SAN BRUNO, 12,409: SOUTH SAN FRANCISCO, 19,250: BELMONT, 5,548: HILLSBOROUGH, 3,519: SAN CARLOS, 14,339: SAN MATEO, 41,531: ATHERTON, 3,591: MENLO PARK, 13,537: REDWOOD CITY, 25,342: BURLINGAME, 19,817: MILLBRAE, 8,958.

TOWNSHIPS (UNINCORPERATED AREAS)-- FIRST TOWNSHIP, 67,647: SECOND TOWNSHIP, 67,000: THIRD TOWNSHIP, 69,571: FOURTH TOWNSHIP, 3,995. SAN MATEO COUNTY TOTAL, 234,030.

BRISBANE was included in the FIRST TOWNSHIP census, because of it's unincorporated status, but according to word received here, BRISBANE totalled up more than 6000! This figure has not yet been authenticated, but we think that's fairly close to the actual figures. IF BRISBANE WERE INCORPERATED--THAT WOULD PUT US IN 10th PLACE IN THE COUNTY!!

MINSTREL SHOW IMPRESSIONS:

Last Monday evening we dropped in to watch the Minstrel Show rehearsals. We saw Frankie King teaching the chorus line the rudiments of the Charleston. We saw Frankie and Barbara Mack rehearsing a soft-shoe number (what a sense of rhythm that Babs has!), and we heard the glee-club practicing a new number. Mrs. Beth Duncan, who usually accompanies the glee-club on the piano, was absent at this rehearsal, and Mrs. Grinella very ably filled in for her. Some of the usual faces in the glee-club (or should I say "voices") were absent, also--- due to vacations, no doubt. The thing that impresses me the most about this whole thing is the delicious sense of humor every member of the cast possesses. An amusing incident occurred during the rehearsal last Monday evening, which tickled my funny-bone more than anything has for a long time. Frankie, while giving instructions to the Tenor section, filled in for the Soprano section with "yaa-te-yaa-te-yaa". When it came time for the Soprano section to come in on cue, the whole bunch of them gave out with "yaa-te-yaa-te-yaa!!"----in retaliation. Needless to say, this broke things up for a few minutes while everyone doubled over with laughter.

You know---this thing has begun to take on such a professional look and sound about it, that I shouldn't wonder if we have a yearly occurrence out of it!---ye editor.

BATTLE OF THE HIGHWAYS WARNING:

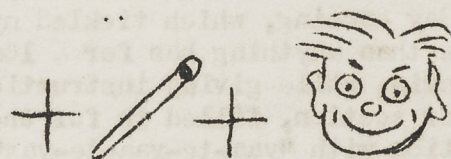

THIS PRESENT DAY "BATTLE OF THE HIGHWAYS" WITH AUTOMOBILE DRIVERS AS PARTICIPANTS NEEDS NOTHING MORE THAN A STEERING WHEEL FOR IT'S WEAPON: CARELESSNESS, SELFISHNESS, TOO MUCH HASTE, AND ALCOHOL FOR IT'S AMMUNITION, AND REQUIRES THAT NO ONE TAKE SIDES. IT IS EVERY FELLOW FOR HIMSELF. AS A RESULT OF THIS, THE 340 TRAFFIC FATALITIES, HUNDREDS MORE INJURED, SOME PERMANENTLY, HEADLINED BY EVERY NEWSPAPER IN THE COUNTRY AFTER THE MEMORIAL DAY WEEK-END DRAWS BUT SHRUGS FROM THE PUBLIC. WHY? WHY??? BECAUSE THIS HIGHWAY DEATH TOLL IS A "SCATTERED" THING, IT LOSES IT'S IMPACT. UNLESS EVERY DRIVER WILL CONSTITUTE HIMSELF A COMMITTEE OF ONE TO DO SOMETHING ABOUT THIS SENSELESS WASTE OF HUMAN LIFE, THE COMING FOURTH OF JULY WEEK-END WILL SEE THIS NATIONAL DISASTER REPEATED. YOUR SAN MATEO COUNTY CHAPTER OF THE AMERICAN RED CROSS, IN COOPERATION WITH THE NATIONAL SAFETY COUNCIL, URGES EVERY MOTORIST TO REMEMBER TO SAVE A LIFE! TO AID WHERE THERE IS AN ACCIDENT, THE LOCAL RED CROSS MAINTAINS ELEVEN EMERGENCY HIGHWAY FIRST AID STATIONS (LOOK FOR THE RED CROSS SIGN), AND OPERATES 17 MOBILE FIRST AID UNITS, ALL MANNED BY PERSONS TRAINED AND QUALIFIED TO GIVE RED CROSS FIRST AID.

BACK TO WORK !!

Fred and Shirley Laing, of LAING'S FOUNTAIN, are back in harness again at the fountain, after a week of "just eating and sleeping" at the CLEAR LAKE HIGHLANDS. Agnes Lehning, their good-girl Friday, is back at work, too--although Agnes claims that she didn't get much of a vacation--what with washing, ironing, and so forth. Well, Agnes----at least you didn't have to cook over a smoky old campfire, or wash dishes in a cold stream!

Let's keep this 4th of July safe for all of us! -

REPORT FROM THE RED CROSS:

Two home-nursing classes in "General Family Health and Care of the Sick in the Home" will be sponsored by the San Mateo County Chapter, American Red Cross, in cooperation with the National Organization whose goal is one member of every family trained to care for illness in the home. Object of the home nursing classes is to teach the layman what to do for illness in the home, when and how to do it, how to assist the physician in caring for a home patient, and ways of improvising hospital equipment from materials found in the average household. Classes will convene from two to four p.m. Mondays and Wednesdays for three weeks, starting July 10. Mrs. George White of Millbrae, a registered nurse with years of professional experience, will instruct one at St. Paul's Episcopal Church in Burlingame; Miss Jessie MacFarlane of Montara, also with years of registered nursing background, will conduct the other, first of it's kind for the Coastside, at Half Moon Bay High School. Both women have just completed the instructors' course for registered nurses, given at Sequoia High School by Mrs. Sigrid Bullard of Redwood City, Nurse Training Supervisor, and sponsored by the Sequoia Chapter of the Red Cross. Mrs. Jephtha Wade, Nursing Services chairman for the San Mateo Red Cross urges early registration as classes are limited. Those wishing to attend the class at St. Paul's may register at the Red Cross Chapter House 1449 Bellevue, Burlingame--while those interested in the Half Moon Bay class may contact Mrs. R. D. Borley, Half Moon Bay 4433.

BASEBALL!!

TO THE EDITOR, BRISBANE BYLINE----
On Sunday, June 25th, at Flood Park--the BRISBANE A.C.'S took a shut-out victory over COMMUNITY CHURCH 8 to 0. Pitcher Don Delbon pitched a fine game, allowing but 7 hits and giving up 2 walks while getting 8 strike-puts. Don's control was good, and he had to have that control in a couple of tight spots Sunday.

Brisbane played a very fine defensive game all the way through, and should be congratulated on their victory. The boys all played heads-up baseball, and were hustling all the way. Brisbane made it's hits when they were needed. Larry Blanchard, Hank Schmidt, and Leo Villar all contributed very beautifully laid down bunts, to work three nice squeeze-plays that counted for four runs. These squeeze-plays were all due to real playing on the part of the boys. Hank Schmidt was the big sticker of the day with two for four, one of them on his bunt. The game was enjoyed by the many spectators--one of whom was AL FIORESI, the SEALS' SCOUT! This "win" keeps Bris-

THAT'S NOT COUNTING THE "HARM" YOU DO TO
YOURSELVES.. YOU MUST REMEMBER TO BE
CAREFUL. LET'S HAVE A SAFE, SANE, HAPPY
FOURTH OF JULY THIS YEAR!

Here is an amusing bit reprinted from one
of the Peninsula Papers. Remember, it's
all in fun:

"HE WHO GETS COWED"

SOCIALISM--You have two cows and give one
to your neighbor.

COMMUNISM--You have two cows; the govern-
ment takes both and gives you the
milk. (we question this!)

FASCISM--You have two cows; the government
takes both, and sells you the milk.

NAZISM--You have two cows; the government
takes both, and shoots you.

NEW DEALISM--You have two cows; the govern-
ment takes both, shoots one, milks the
other, and throws the milk away.

CAPITALISM--You have two cows; you sell
one, and buy a bull.
